Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example.

(PDF) Perceptions of 'Just Culture' – The case of aircraft ...

The whole idea of risk analysis during design is to avoid putting pilots and people at risk in the first place. Allowing the aircraft to continue to fly after the Lion Air disaster without fully understanding what the root causes were is in my opinion, an absolute failure of the system designed to keep people safe.
