### Rune Factory 2 Official Strategy

Rune Factory 4 is often hailed as the best in the series and it's easy to see why. The robust farming system, expansive crafting system, and engaging combat system make the game a compelling one to play. It is no surprise, then, that it has been remastered and ported to modern consoles.

### GAMELINE

To copy data from a PS2 memory card to a PlayStation 3, you will need a memory card adapter. Official memory card adapters were sold by Sony around the launch of the PS3. Be aware of region locking. The PlayStation 2 has a region locking system, which means the console and the games must originate from the same region to work properly.
