To create magic items, spellcasters use special feats which allow them to invest time and money in an item's creation. At the end of this process, the spellcaster must make a single skill check (usually Spellcraft, but sometimes another skill) to finish the item. If an item type has multiple possible skills, you choose which skill to make the check with.

So, unless you already have an enigma, the most efficient class for key farming will be a sorceress, because of teleport. My personal recommendation would be to use a lightning sorceress, since the Countess and her minions are always immune to cold, with the countess herself also being immune to fire. In addition, Nihilatak's minions are always cold immune - and he himself has a high natural ...
