Humboldt Vape Tech Sai Atomizer for Wax or Shatter - Unboxing & Review

The Saionara atomizer or sometimes referred to as the Sai atomizer is designed to turn your box mod into a powerful wax device complete with adjustable airflow. Just to clarify this is an add-on for a box-mod rather than an entire device in itself and that begs the question; can it compete with a proper rig?

Sai Replacement Coils for Saionara Wax Atomizer - VAPES

I've had my eye on the Saionara since you first started posting about it. Definitely intrigued and I love trying new vapes but it just isn't different enough from other vapes I already own to warrant the spend. I'm also not personally a big fan of quartz rods for these coil atomizers. I prefer the FC2000 ceramic that can serve as an actual wick.

Sai Atomizer | Humboldt Vape Tech

The Sai by HVT is a portable wax atomizer that is powered by a box mod. It is only compatible with concentrates, not dry herb. The unit only has 4 parts total and functions just like an ecig RDA. The diameter of the Sai is the ecig industry standard 22m, so it fits snugly on any 510 threaded box mod.
