The 15 Best Sales Books That All Salespeople Should Own

Positioning is another classical book in Marketing, and is the first book to deal with the problems of communicating to a skeptical, media-blitzed public. This book describes a revolutionary approach to creating a "position" in a prospective customer's mind-one that reflects a company's own strengths and weaknesses as well as those of its competitors.

Sales And Marketing Book In

This book explains the following topics related to selling: What is a salesman, appearance and its influence on successful selling, buying motives, canvassing for prospects, sales pre- approach, conduct in the sales approach, sales interview and presentation, handling objections, closing the sale, function of advertising, sales helps, sales tools and product displays.

Get an Overview of Publishing and Book Marketing

In doing my research for this post, I found fewer digital marketing books than I expected on each of the topics I wanted to cover. I guess in the digital era, these topics are more often being covered in posts and ebooks. However, if you are reading this post then you, like me, prefer good old books over digital marketing books for self-education.
