You'll be able to download the books at Project Gutenberg as MOBI, EPUB, or PDF files for your Kindle.

Pocket Ref by Thomas J. Glover, Paperback | Barnes & Noble®
This pocket reference is often referred to as a little black book. No other mini-pocket-sized encyclopedia contains as much information concerning the physical world of science. It is an invaluable resource for writers, and anyone taking any kind of science course, or for that matter, anyone who has a job which deals heavily in science.

It's not possible to remember everything you read and especially the one you are not going to use them frequently. That's why we have bookmarked so you can refer whenever needed. Working in IT, one thing you can't ignore is to cheat sheet/reference guide.

IPv6 TCP/IP and tcpdump - SANS Internet Storm Center

The Pocket Ref is right up there with the dictionary and thesaurus. The nice thing about it is that you can tote this little book everywhere (which I do). It is very handy and contains everything from airport codes, measurement conversions, area codes, the periodic table, etc. All of us have one at work and we give these away for clients ...
