In addition to the papers that are provided here, other papers are available from within each community and from the technical papers list. SAS Presentations at Conferences in 2014

Papers and Presentations - support.sas.com  
of the papers in the SUGI 28 proceedings. The word "paper," as in "Paper 145-29," has been included in the indexing. I didn't spend too much time with the NESUG on line proceedings (www.nesug.org) either. You have to search them by conference, so if you don't know which conference to start with, you are out of luck.

The SAS Supervisor - SAS Support Communities  
Before there was SAS Global Forum, there was SUGI (SAS Users Group International). While today we take for granted that conference papers are published and made available online in-an-instant, those early conferences had only printed proceedings, typed on typewriters, bound into books and made avai...

SAS users groups are independent, volunteer organizations run by SAS users. SAS partners with our user groups and provides a wide range of services.

ODS at SUGI 31 - SAS Support Communities  
How SAS processes jobs is the responsibility of the SAS Supervisor and an understanding of its function is important. While the details of how it works have changed over time, much of the basics of the SAS Supervisor have been reasonably consistent over time. This article contains: links to past SUGI papers on this topic
