This is the section where you should introduce the organization and describe the problem and the scope of the proposed work.

WGU class questions — TechExams Community

I had some 'sample' papers to look at and I couldn't believe they passed. They don't care about the content at all, just that you can follow the rubric and put everything together properly. WGU BS: IT Network and Design Management (Completed Oct 2014)

WGU Technical Writing SBT1 — TechExams Community

Thoughts -- SBT1 -- Tech Writing Tip 1: Ok, everyone...absolutely everyone says follow the rubric. DO IT. Don't be smart, don't assume the grader will find you satisfied the rubric buried in your paper. Simply follow the follow rubric using the template. It'll save you headaches. I had to resubmit my SBT1 due to failure to define objectives clearly.

It took me several weeks to go ahead and write the thing. This was due to the previous stated reasons and a lot of personal things going on in my life. After submitting the paper to this service WGU uses called TaskStream, it then passes the paper over to another service called TurnItIn. Any student should know about this service.

Okay, so this isn't a writing update, but I had this post with a link to my Taskstream Template I created when I attended WGU up on my old blog and it helped some folks out, so I'm re-posting it. Nothing wrong with keeping that goodwill going. Western Governors University is a great school. Don't let anyone tell you any different.
