Scientific Method: A Historical And Philosophical ... Barry Gower has provided excellent historical perspective on the history and evolution of the scientific method from the philosopher's perspective. The contributions of Galileo, Bacon and Newton are presented clearly and thoroughly, providing a foundation for later years when science progressed from a wealthy gentleman's past time into a professional and academic institution.

Scientific Method By Barry Gower - wakati.co Barry Gower's Scientific Method combines general comments about scientific method and a survey of historical positions from Galileo to Carnap. The general comments reveal that he uses the phrase 'scientific method' to encom-pass both theories of scientific procedure and theories about the justification of scientific claims (pp. 5-7).
