Transmission Fluid Level Check Scion tC (2005-2010) - 2009 ...

I bought a 2011 Scion tC a couple months ago and am just about at 1000 miles, the point at which I want to dump the manual transaxle gear oil and replace it with something else. I mainly want to dump it just to get rid of any metal shavings from the break-in and offer it higher protection since it doesn't get changed very often.
