The lines between digital marketing and Customer Relationship Management (CRM) is blurring because the need for highly personalized, relevant communication is greater than ever before. The unique needs and desires of customers and prospects need be understood through CRM, then realized through marketing communication.

Introduction - The AMPscript Guide

A properly formatted screenplay serves two purposes.. The first purpose is to tell a story. If you write your screenplay well, your description of a great battle will explode in the reader's ears, your dialogue between two lovers will cause the reader's eyes to tear up, and that emotional speech you write from a great leader will leave a lump in your reader's throat.

The Screenwriter's Simple Guide to Screenplay Options ...

Screenwriting is the art of writing a script for a feature film or television show, and there are many different genres of screenplays to write.
