Sea of Thieves Reddit

Sea of Thieves is a shared game world, which means groups of players will encounter each other regularly throughout their adventures.

The game has a cartoonish art style and an exaggerated physics engine that allow players to perform stunts, like being shot out of ship cannons.

Sea of Thieves - Wikipedia

This app is unofficial to the game, but the level of detail and the amount of effort put into this app is definitely above par for what it is. I've been using this since a little after Sea of Thieves came out on Xbox One and it's been accurate for me so far! No complaints from me especially at its current stage.
