Opinion: Best ways to form new habits – HS Insider
April is Financial Literacy Month in the United States. This is a pure and noble thing. I think it's great that there's one month each year devoted to promoting smart money habits. That said, it has become increasingly apparent over the years that most financial literacy programs fail.

The secret to adopting new habits that actually stick is a lot simpler than you may have imagined according to Forbes. First, you must understand the structure of habits. The structure has three basic components: you initially form the idea of a habit you want to adopt, take action on the idea, and the reward you give yourself for successfully acting on the idea.
