"Seeing Things As They Are is full of interesting ideas. It is engagingly written, and deals with big questions about the mind-world relations and the relation between the phenomenology and intentionality of perception.

Amazon.com: Customer reviews: Seeing Things as They Are: A ...

That doesn't look like seeing things as they are – that looks like pretending to see things as they are when you're not looking. It's not the same. It does not look like loosing a personal filter through which you see the world. It looks more like exchanging it for another filter – a filter of detachment.

Robert Kennedy - Some men see things as they are, and ask...

Hearing voices, seeing things, and unusual beliefs This section is mostly about people's experiences of hearing voices and seeing things that others around them don't hear or see. 'Hallucinations', as they are often called, are what people hear, see, feel - or even smell and taste - that don't appear to be sensed by other people.

Seeing Things as They Are - John R. Searle - Oxford ...

To see things as they really are means to see them consistently in the light of the three characteristics. Not to see them in this way, or to deceive oneself about their reality and range of application, is the defining mark of ignorance, and ignorance is by itself a potent cause of suffering...
