Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Amazon.com: Books

SeinLanguage compiles some of comedian Jerry Seinfeld's favourite material into an easy to read book, written pretty much in the way Jerry speaks. If you've watched Seinfeld (particularly the earlier seasons) most of the material in "SeinLanguage" will be familiar to you from the little "stand-up scenes" played at the start and end of the ...

SeinLanguage is an easy read, but the voice of Seinfeld is clear and present in every word; reading it is like watching him on stage, pacing back and forth, doing his thing, only this time it's all in your head. From dating, to personal maintenance, to attempting to find a spot in a New York parking lot, the book's

SeinLanguage by Jerry Seinfeld - Goodreads

Seinlanguage is a 1993 book written by Jerry Seinfeld. Seinlanguage was critically acclaimed [citation needed] and scored a spot on the New York Times Best Seller list. The title is a play on words, taking advantage of how the first four letters of "Seinfeld" are a homonym of "sign" (as in sign language).. References
