Self-grading test using Google Forms. Tutorial.

by TeachThought Staff. Google Forms isn't the first thing you think of when you think of assessment resources... It's not especially elegant, it won't wow students, and the learning curve isn't as mild as it might be. But with a little bit of work on the front-end, Google Forms can return the favor in spades on the back-end in the form of self-grading assessments.
