Self-Ownership, Freedom, and Equality (Studies in Marxism ...

The author argues that self-ownership cannot deliver the freedom it promises to secure, thereby undermining the idea that lovers of freedom should embrace capitalism and the inequality that comes with it. He goes on to show that the standard Marxist condemnation of exploitation implies an endorsement of self-ownership, since, in the Marxist conception, the employer steals from the worker what should belong to her, because she produced it.

G. A. Cohen - Wikipedia

Abstract G.A. Cohen has produced an influential criticism of libertarianism that posits joint ownership of everything in the world other than labor, with each joint owner having a veto right over any potential use of the world. According to Cohen, in that world rationality would require that wealth be divided equally, with no differential accorded to talent, ability, or effort.
