Seriously...I'm Kidding: Ellen DeGeneres, Author ...

Reading Ellen DeGeneres' Seriously... I'm Kidding is like having a casual, one on one conversation with Ellen herself. The book is hilarious, rather sweet and oddball, with the wonderfully sunny outlook on life that has become Ellen's trademark. It also often veers into the pointless, with sight gag chapters that probably would work well as minor sketches...

Seriously... I'm Kidding by Ellen DeGeneres - Goodreads

Exactly what you would expect from Ellen Where does Seriously...I'm Kidding rank among all the audiobooks you've listened to so far? This book is light and funny and I couldn't really tell what the story was. Probably because she's a comedian and her point is to be entertaining. Not a serious book.
