### Seventeen Contradictions And The End

There were certainly many thought-provoking points within 'Seventeen Contradictions and the End of Capitalism', however in most cases I fear they have already been better expressed elsewhere On the face of it, we should be made for each other - an account of the often-ignored structural contradictions of capitalism, couched in accessible language rather than impenetrable psychoanalytic theory.

### Seventeen Contradictions and the End of Capitalism ...

*Seventeen contradictions and the end of capitalism* - David Harvey To modern Western society, capitalism is the air we breathe, and most people rarely think to question it, for good or for ill. But knowing what makes capitalism work--and what makes it fail--is crucial to understanding its long-term health, and the vast implications for the global economy that go along with it.
