The idea that it's entirely shaped by whether the author likes a character or a pairing more than another is just not true. I also think the idea that "equality" or parity equals content that can be measured is wrong – a book is not a seesaw or a set of weights. The Shadowhunters series is also constantly in flux.

FAQ - Shadowhunters

The Infernal Devices is a trilogy by author Cassandra Clare, centering on a race called the Shadowhunters introduced in her The Mortal Instruments series. The trilogy is a prequel series to The Mortal Instruments series, and contains some of the character's ancestors. Clare has insisted that the two series can be read in either order but The Mortal Instruments has references to characters and events in The Infernal Devices. The series follows Tessa Gray, an orphaned teenage girl who discovers sh
