Ecstasy (Shadowdwellers, #1) by Jacquelyn Frank
Shadows of Ecstasy, 1933. -- A humanistic adept has discovered that by focusing his energies inward he can extend his life almost indefinitely. He undertakes an experiment using African lore to die and resurrect his own body thereby assuring his immortality. His followers begin a revolutionary movement to supplant European civilisation.

Shadows Of Ecstasy A Novel
However, "Shadows of Ecstasy" was actually the first novel Williams wrote and the 1933 publication was an extensive revision of the earlier work. Despite that revision I don't think it is as successful as the four written between 1930 and 1932.

Shadows of Ecstasy
Shadows of Ecstasy, however, was disappointing. I doubt if it could be printed today without changing some of the words used to describe ethnic people. Williams is given to patches of impenetrable prose, often because he is trying to describe a spiritual state of mind/experience, but this book has a lot more than most.

Shadows of Ecstasy | Bookshare
Shadows of Ecstasy is a book about the imagination, and one of the difficulties is that while his characters are more than symbols, they are never less, and they must be understood as such. Their coming together is a sort of dance of the imagination and must be imaginally perceived, which requires a more heightened attention than that which we usually pay to prose—the attention we give to ...
