Knowledge-Sharing: Stop Tweeting, Start Talking

Sharing Hidden Know-How makes the case for intentional, conversation-based leadership, and provides the practice model to pull it off. Viewed from above, this important book is itself a conversation between Kate Pugh's basic propositions and those of a diverse group of other thinkers, all woven into a unified whole.

Book Review: Sharing Hidden Know-How, by Katrina B. Pugh ...

Just add the \$ right after the share name without any spaces. You should note that you can only create this hidden share when you first share the folder in Windows 7 and Windows 8. For some reason, you can't change the share name once you've shared the folder, so in order to change it, you have to first remove the share and then re-share the folder.
