As with the personality questionnaire, there are no right or wrong answers. In the example questions below, you are asked to rate each statement in relation to how it would affect your motivation to work. You are then required to choose the appropriate option (A to E) to complete the sentence. Try the example questions below.

Motivation Questionnaire | Example Questions - SHL
Example Questions Personality questionnaires assess personal behavioural preferences, that is, how you like to work. They are not concerned with your abilities, but how you see yourself in the way you relate to others, your approach to problems, and how you deal with feelings and emotions.
