Thinking About Law School? Major in Philosophy! - UMSL

Philosophy of law, also called jurisprudence, branch of philosophy that investigates the nature of law, especially in its relation to human values, attitudes, practices, and political communities. Traditionally, philosophy of law proceeds by articulating and defending propositions about law that are general and abstract—i.e., that are true not of a specific legal system at a particular time ...

Aristotle's Philosophy of Law

In contrast, philosophy of law is interested in the general question: What is Law? This general question about the nature of law presupposes that law is a unique social-political phenomenon, with more or less universal characteristics that can be discerned through philosophical analysis.

Should Lawyers Listen To Philosophers

In the recent spate of philosophers' writing on legal ethics, most contend that lawyers' professional role exposes them to great risk of moral wrongdoing; and some even conclude that the role's demands inevitably corrupt
