Skateboarding, Space and the City - Concrete Wave Magazine

In Skateboarding, Space and the City Iain Borden aims to write a history of the 'production' and 'reproduction' of space through the 'body-centred' practice of skateboarding (Borden, 2001: 9,12). This is also an exercise in which Borden applies elements of urban and social theory developed by Henri Lefebvre and the Situationist International in post-war Europe.

Skateboarding, Space and the City by Iain Borden | Book ...

Or it could be that feeling when your eyes open back up after a slam and you realize your body is still resilient enough to have another go. And while it's impossible to articulate those moments of bliss on the pages of a book, Iain Borden's Skateboarding, Space and the City, makes the most comprehensive attempt at it that I have ever read.

Iain Borden - Wikipedia

Skateboarding is just one way, and a very specific one, that space in the city is made and remade and created out of interactions of the skating kind. Okay, so that seems to be his main idea, as I repeat it with flaws of all kinds, no doubt.

Skateboarding, Space and the City: Architecture and the ...

Skateboarding, Space and the City: Architecture and the Body. Borden, Iain. Berg, Oxford, 2001 (reprinted April 2003), 318pp ISBN 1 85973 488 X (Hardback) ISBN 1 85973 493 6 (Paperback) Drawing on the work of Henri Lefebvre, Borden asks readers to rethink architecture. It is not just about an object or thing.

Skateboarding, Space and the City: Architecture and the ...

Dismissive of authority and convention, skateboarders suggest that the city is not just a place for working and shopping but a true pleasure-ground, a place where the human body, emotions and energy can be expressed to the full.

Skateboarding, Space and the City: Architecture and the ...

Skateboarding, Space and the City reads the city through body and board - not merely through books. At a moment when architecture history/theory consists primarily of regurgitated texts intelligently referenced, inclusion of 'fieldwork' makes Borden's book an invaluable contribution to the field."

Book review - Skateboarding and the City: A Complete ...

His book Skateboarding, Space and the City is published by Bloomsbury, Architecture and the Body. Buoyed by this success, other skaters have been fighting off ill-conceived plans for skateboarding bans everywhere from Norwich to Columbia City, Indiana. Ayoama Gakuin University Presspp.

Skateboarding, Space and the City: Architecture and the ...

If Borden's (2001) Skateboarding, Space and the City was often taken as shorthand for demonstrating critique of the built environment through creative practice, then I hope that Borden's (2019) Skateboarding and the City comes to be used as shorthand for how a practice comes to pro-actively shape the urban environment.
