Behringer Mixer: How to do a setup

This is a special power supply that has a 3 pin connector on the end that connects to the mixer and provides 12V along with 48V (for the mics). This is a special power supply that only Behringer sells and I don't think they sell replacements (and if they do they are probably as expensive as the unit itself).

Behringer Xenyx 1202 Mixer Review

I'm thinking of getting a Behringer Xenyx 1202FX (without USB) for the mixer... now many moons ago (1993-1997) I worked in a sound room for a church the mixer had monitors to tell what sources you wanted to go to the monitors/headphones. I don't see that on any mixers I've looked at.
