The Elder Scrolls V: Skyrim is one of the biggest games in history. It is almost impossible to learn all its elements by yourself, so we created this tutorial. It contains a complete walkthrough describing all the quests present in the game (main, side, Deadric, Guild-related, and those related to the civil war), as well as their branching paths and alternative ways of completing them.

Guides to every encounter, this book covers it all. On top of that, it provides hints and tips on alternate ways to complete quests, and even provides for beginners, base character builds for each of the races based on their inherent racial skill set. (It will also encourage other types of roleplaying builds!!!) I highly recommend this product.
