"Officers discovered grow tents inside, scales and multiple small white freezers with suspected mushroom bags sealed and stacked filling them to the top," the affidavit stated.

Small Scale Mushroom Cultivation Journey

The word mushroom may mean different things to different people in different countries. Some studies on the value of mushrooms and their products should have a clear definition of the term mushroom. In a broad sense, "Mushroom is a distinctive fruiting body of a macrofungus, which produces spores that can be either epigeous or hypogeous and large enough to be seen with the eye and ...

Mushroom rabbi grows ceremonial psilocybin for Denver ...

In what is considered his literary magnum opus, visionary architect Paolo Soleri challenges us to think of cities as biological entities, and introduces us to a philosophy for a new kind of urbanism: the arcology, a city-sized organism designed to exist in harmony with nature. Split into two sections, the book first explains the moral and economic necessity for humanity's transition to ...
