Soccernomics: Why  
England Loses, Why...

book by Simon Kuper

I've only read the first  
chapter of this eye-  
opening book ("Why

Read Free

Soccernomics

England Loses and  
Others Win") and have

to say it's a blast. If you  
enjoyed Freakonomics

and Moneyball (and you  
care about soccer) you'll  
enjoy Soccernomics --  
it's those two books

(with soccer, of course,  
substituting for

baseball) blended into  
one. Quite intriguing.
