Social Capital And Community Governance* -
Bowles - 2002 ...

Those advocating social capital, or as we would prefer, community governance, as an important aspect of policy-making and institution-building have come to be dissatisfied with this view, doubting (with Kenneth Arrow) that states or markets, in any combination, can be so perfected as to make norms redundant, and believing that the substantial drawbacks of this third form of governance can ...

tanzina soha ...

Community governance focuses on power that communities exercise in order to achieve policy outcomes that suit their needs. To successfully achieve proper policies, community governments must first identify and map the community's assets, capacities, and abilities in order to properly understand a community's strengths and weaknesses i.e. physical, economic, political, social, among others.

Social Capital and Community Governance | Semantic Scholar

Social capital 12 is a contested term, with differing views on the extent to which it can be measured, let alone built effectively through public policy interventions (Balloch and Taylor 2001:43). While there is no single definition of the term "social capital", Spellerberg's (2001:9) definition seems
