Social Pedagogy across Europe is the first Massive Open Online Course focused on social pedagogy - a relationship-centred approach to supporting people's learning, well-being and social inclusion in ways that promote social justice.

Social Pedagogy and UK Traditions of Social Work - The ...

In the United Kingdom the term social pedagogy was unfamiliar until fairly recently. In the academic world interest arose from about the 1980s, via interchange with colleagues in continental Europe, not necessarily focused directly on social pedagogy but concerned with services where social pedagogues were employed, such as early childhood education and care, youth and social work.

Social Pedagogy in the UK | The British Journal of Social ...

As with UK social work, social pedagogy has a strong emphasis on working with families, and working in partnership with parents. Where children are in care, the pedagogues are expected to work with families as well as the child. Foster-carers are often offered elements of social pedagogy training, or may themselves be trained social pedagogues.

Social pedagogy in the UK: time to reflect | Community Care

All these aspects feature prominently in social pedagogy, and this not only in relation to work with children, as a UK reading of 'pedagogy' might suggest because of its affinity to 'education'. Rather, it must be understood as a lifelong and community learning project and, as such, it has its own roots also in the UK.
