Workers

The social work profession shares a close relationship with human rights, because it adheres to values such as respect, dignity, and self-determination - values that are strongly embedded in the code of ethics for all practitioners. The client-social worker relationship has long been celebrated.

Human Rights and Social Work: Beyond Conservative Law ...

Social work, human rights and advocacy. Social workers and human rights lawyers tend to share a very important characteristic. We tend to be constructive irritants. (And I like to put particular emphasis on the word 'constructive'.) We have professional responsibilities that go beyond individual casework to improve the broader system.

Social Work and Human Rights: A Practice Guide | www.basw ...

The social work profession has evolved extensively since its inception in 1898. The profession began with a focus on helping others and recognizing social injustices as its core charges. The profession is now being called to view human rights as its professional responsibility, too. As driving forces behind this new charge, the Council on Social Work Education (CSWE) and the National ...

Human Rights and Social Work Values - SocialWorker.com

The International Federation of Social Workers (IFSW) stated in its definition of social work that "principles of social justice, human rights, collective responsibility and respect for diversities are central to social work" (IFSW, 2014, para. 2, emphasis added), thus making it evident that the international community of social workers is quite clear that the work we do
