Sociology and the military establishment. - CORE
Military sociology is a relatively minor subfield within the field of sociology. There are few universities that offer courses on military sociology, and only a handful of academic professionals that conduct research and/or write about military sociology.

Sociology And The Military Establishment Janowitz Revised ...
Military sociology is now a well-established and respected subfield within sociology. To survey the field this collection is organized around four major themes: (1) military organization, (2) civil-military relations, (3) the experience of war, and (4) the use and control of force. Taking the origins of military sociology as a starting point:

Sociology And The Military Establishment
General Overviews. Military sociologists have long attempted to synthesize and unify the field. Kurt Lang provided some baseline reviews—first in Lang 1965, a brief journal article, and later in a lengthier book, Lang 1972. Some disciplinary legitimacy was later garnered by Moskos 1976, an Annual Review of Sociology (ARS) selection highlighting some of the main substantive focuses of our field.

Sociology and the military establishment. (Book, 1959 ...
Sociology, a social science that studies human societies, their interactions, and the processes that preserve and change them. It does this by examining the dynamics of constituent parts of societies such as institutions, communities, populations, and gender, racial, or age groups. Sociology also studies social status or stratification, social movements, and social change, as well as societal ...

Sociology And The Military Establishment
Military science in modern armed forces has taken on the aura of a hard science when it is arguably a combination of hard science, sociology ("soft science"), and military history (the humanities). Postmodern deconstructions of the assumptions behind modern military science can be effective in revealing how modern militaries have socially constructed their reality.

She received her Ph.D. in Political and Social Sciences from the European University Institute in Florence, Italy.

Military sociology - Wikipedia

Prepared for the American Sociological Society in 1959, Sociology and the Military Establishment explores the relationship between the military and the possible contributions of sociologists, particularly after World War II. It argues for more effective utilization of sociological theory and research in the analysis of problems to the military and makes evident that research on military ...
