Doing Gender - Sociology - Oxford Bibliographies
Labeling theory applications in everyday life. The labeling theory has been applied to many different areas within sociology, such as mental health and criminal justice systems. It has become an essential part of research methods due to its usefulness in explaining social models at work through humans.

Manufacturing Consent: Noam Chomsky and the Media ...
The sociology of law (or legal sociology) is often described as a sub-discipline of sociology or an interdisciplinary approach within legal studies. Some see sociology of law as belonging "necessarily" to the field of sociology, but others tend to consider it a field of research caught up between the disciplines of law and sociology. Still others regard it neither a subdiscipline of sociology ...
