SOMEDAY, SOMEDAY is Emma Scott's first MM story and it's an important one. It is an advocate and champion for the LGBTQ community and deals with homophobia in its rawest form. It is also a light of hope for people who love are in a "nontraditional" relationship and have been cast out because of it.- -Astrid,

Someday, Someway - Wikipedia

Someday is an adverb that situates an action or event at a vague point in the future. Some day is a noun phrase that refers, similarly, to a unspecified 24-hour period, also at some point in the future. Since the word day by itself is a noun, you can easily remember that some day is a noun phrase, not an adverb.
