INFORMATION For your safety, read
carefully and keep in this vehicle.

Sonoma by Altima 4-Burner Gas Grill at
Lowe's.com

Parts appear to be well made and sturdy.
However, while they were a good
replacement unit, installing them was a
whole different matter! Depending on your
BBQ unit (I had a Sonoma BBQ from
Costco) getting the burners into the
correct position required great patience
and resolve, and a lot of jamming of the
new burners into very tight spaces.
