Southern California Mountaineers Association - Home

Rock Climbing in the Southern California Needles The Needles of Southern California are a remarkable place. The area hovers on the margins of most climber's radar; somewhere they have heard of but never quite managed to get to. The drive is long through some of the least populated parts of the southern Sierra.

Yosemite Hiking Backpacking Trips & Tours | SYMG

Alpine Rock Climbing Overview. The most beautiful rock on the planet is that which is found on the high spires and jagged peaks of the great ranges of the world. The aesthetics of alpine rock climbing cannot be beat. The combination of the athletic movement, the remoteness, and the beauty make these places some of the most spectacular anywhere.
