Get Free Specialization Speciation And Radiation The Evolutionary Biology Of Herbivorous Insects Hardcover

"This volume captures the state-of-the-art in the study of insect-plant interactions, and marks the transformation of the field into evolutionary biology. The contributors present integrative reviews of uniformly high quality that will inform and inspire generations of academic and applied biologists. Their presentation together provides an invaluable synthesis of perspectives that is rare in ...

Specialization, Speciation, and Radiation: The ...

Related to, but distinct from, the hypothesis that specialization promotes speciation is the hypothesis that speciation in itself generates specialization. Futuyma & Moreno (1988) The title of his most famous book notwithstanding, Darwin dealt little with how new species come into being (Mayr, 1942 , p. 147).
