Spring A Haiku Story

Spring is an anthology of 14 haiku, one per page, which are strung together to create a narrative that tells the story of a stroll that a boy and a girl take together through a village during the spring thaw. The event described by each poem is simple--a snail notices its shadow; a sleeping dog is tickled by the branches of a willow--but the overall effect is rich and entertaining.

Where To Download Spring A Haiku Story

characterized by three qualities: The essence of haiku is "cutting". This is often represented by the juxtaposition of two images or ideas and a kireji between them, a kind of verbal punctuation mark which signals the moment of separation and colours the manner in which the juxtaposed elements are related. Traditional haiku often consist of 17 on, in three
