SQL Antipatterns by Bill Karwin – SQL Rob
Hi r/database,. We are writing an open-source database, Dolt, and just hit a big milestone: our SQL engine has 90% correctness on the sqllogictest test suite. This means we are getting correct results for 90% of the 5.7 million queries in the suite. As part of this work, we discovered that sqllogictest itself was seriously out of date, and would only generate about 90% correctness against ...

SQL Antipatterns : Bill Karwin : 9781934356555
SQL Antipatterns by Bill Karwin One of my favorite database books is SQL Antipatterns by Bill Karwin. The book lists many approaches taken in database design, querying and development that may be suboptimal, and gives different approaches to solve a particular issue.
