Starfighters of Adumar is a masterpiece of microcosmic (Wedge) and macrocosmic (do the ends truly justify the means?) storytelling. A man is chosen to lead an unusual, diplomatic mission. In the course of that mission, he faces his own loneliness, takes a long step off a short personal cliff, and refuses to sink to the level of "whatever it takes."

Starfighters of Adumar - Wikipedia
Starfighters of Adumar is one of the most entertaining Star Wars novels. As a standalone adventure in the X-Wing series, you don't need a lot of background on the characters (but it does help if you have read some of the other X-Wing books), and you'll have a lot of fun.
