Amazon.com: Starting and Operating a Business in Texas ...  
To start a business, you must invest in the business. The journey of finding start-up funds will be different for each individual. Some start-ups such as consulting require a few thousand to get a website and business cards whereas a retail store could need \$100,000 or more. Finding the money you need may come from a source you never thought of or may just end up being the frugal bootstrap method.
