students with a balance of clarity and rigor, and applications incorporated from a diverse range of industries.

Statistics for Business & Economics, 14th Edition - Cengage

Statistics for Business and Economics is a straightforward and detailed introduction to the concepts and theory which appear in most undergraduate or MBA courses in this field. The text complements such well-referenced textbooks as D.K. Hildebrand and R.L. Ott's "Basic Statistical Ideas for Managers," and "The Practice of Business Statistics: Using Data for Decisions," by D.S. Moore et al.
