The Do-It-Yourself Sten:

Part One - Bearing Arms

*The STEN (or Sten gun) was a family of British submachine guns chambered in 9×19mm and used extensively by British and Commonwealth forces throughout World War II and the Korean War. They had a simple design and very low production cost, so they were also effective insurgency weapons for resistance groups.. STEN is an acronym, from the names of the weapon's chief designers, Major Reginald V
