Stevioside is an all natural extract from the leaf of a Stevia plant. Emperor's Herbologist stevia extract JAJA Stevioside is not an artificial product made in a laboratory, as is aspartame, or any other artificial sweetener, or modified sugar. Rather, it is a pure natural extract of the stevia rebaudiana bertoni plant.

Stevioside : technology, applications and health (eBook ...

Steviol glycosides are natural constituents of the plant Stevia rebaudiana Bertoni. The leaves of S. rebaudiana Bertoni contain eight different steviol glycosides, the major constituent being stevioside (triglucosylated steviol), constituting about 5-10% in dry leaves. This chapter discusses major historical developments in the discovery and use of stevioside as a sweetener and dietary supplement.
