A divine humor speaking and writing style about who we are and why that is cool, and how we can feel better, live better lives by casting worn out beliefs by learning to be still once in a while and listening.

Still Mind: An Introduction — Still Mind, an artist's guide.
? Alan W. Watts, Still the Mind: An Introduction to Meditation "To some degree, all civilized people are out of touch with reality because they do not distinguish between the way things are and the way they are described. For politicians this dichotomy has reached extreme proportions and affects everyone.

Still the Mind: An Introduction to Meditation by Alan ...

i dont know where to start with this book. basically, its been one of those life-changing reads to me, along with siddhartha. the amount of philosophical info in here is mind-boggling, but somehow alan watts is able to make you understand as though it were the simplest thing its as though he were a good friend sitting with you explaining things over coffee. its hard to grasp everything in here in one read because there is so much in this small book. i needed to read ...

#If You Find Still The Mind An Introduction To Meditation ...

It was all about the journey and it was all in the mind. What if we changed the way we thought about ourselves and our careers in art? Instead of seeking outside validation as our measure of worth, we started looking to the inside for answers? This is Still Mind. Dedicated to emulating their unique paths to self-discovery.
