I really liked this book and bought the second immediately after finishing it. It's a interesting concept and it's written in a way to make it really believable when having humans, shifters, witches and vampires all mixed together and how they co-exist in the world while throwing in the fact that the greek gods still walk among everyone in disguise. There is enough twists and little nuggets of ...

Unexpected Idea, Stolen magic is quite a twist. I loved the idea of finding a different form of magic in mortals, as well as the world of magic existing in a mortal world without the mortal world being aware of its existence, Looking forward to reading the next in the Shadows of the Immortals series.
