The Power of Storytelling in Teaching

Storytelling can be used as a method to teach ethics, values and cultural norms and differences. Learning is most effective when it takes place in social environments that provide authentic social cues about how knowledge is to be applied. Stories function as a tool to pass on knowledge in a social context.

**Storytelling with movement
Stories that involve
movement make it possible
for children to physically
participate in the story.**

Encourage children to make a specific gesture when they hear a certain word or to perform various actions mentioned in the story.

Notes on the Story Telling Method of Teaching History
Stories create magic and a sense of wonder at the world. Stories teach us about life, about ourselves and about others. Storytelling is a unique way for students to develop an understanding, respect and appreciation for other cultures, and can promote a positive attitude to people from different lands, races and religions.
