(PDF) Strategic Management: Concepts and Cases

The process of strategic management lists what steps the managers should take to create a complete strategy and how to implement that strategy successfully in the company. It might comprise from 7 to nearly 30 steps [4] and tends to be more formal in well-established organizations.. The ways that strategies are created and realized differ. Thus, there are many different models of the process.

Strategic Management By Thompson And

The basic principles of strategic management may be simple but its interpretation and application in different circumstances make strategic management a critical thinking topic. This accounts to a good extent for the length of the book as Thompson & Strickland have included in the book numerous illustrative examples on the application of the concepts of strategic management in practical situations.
