New York, but with an abiding concern for the health of neighborhoods and the safety of their residents. If you care about the future of cities, read Streetfight. ”

Streetfight: Handbook for an Urban Revolution - Kindle ...

If you've never read a modern urban planning book and this is available, read it. It covers the basics of bus, bike, and auto. Know that the title is misleading. This is not a "handbook for urban revolution." It's not a handbook at all. It's simply a list of Janette Sadik-Khan's accomplishments in changing the design of parts of New York.
